Mr Forbes agrees to the terms in the Cotton's letter of 20th Sept. He points out that for shorter journeys Ry fares are cheaper & that is the rate mentioned in his Contract with Govt & not the rate of 1½ times as claimed for admissible under the MSR. Perhaps this may be accepted.

Another point is the reimbursement of Mr Forbes pay during his absence from Bangalore. The Punjab Govt are willing to pay it if we claim it. This may be claimed. In Dr Chitnavis case his pay was reimbursed by Govt.

Dear Mr.Matthan,

With reference to your No.Pol.264 dated the 22nd September 1923, I wish to inform you that I returned from Simla this morning.

With reference to the fees, I would say that the terms mentioned in the letter No.7521/188-1921 dated the 20th September 1923 from the Secretary to the Resident in Mysore are acceptable to me on the condition that the travelling expenses are based on double first-class railway fare. This is the rate provided for in my contract with the Mysore Government.

I would be glad if you would let me know, as early as possible, the decision of Mysore Government regarding the Punjab Government reimbursing to Mysore Government my salary during my absence from the State. I would like to send in my bill to the Punjab Government as early as possible and would like to include therein the amount of my salary which they are to reimburse to Mysore Government, so that, if necessary, I can short draw the amount in my October Salary bill.
